

Informational Session

We're kicking off the 2024 Big Texas Rallies for Recovery (BTRR) with an informational session to learn more about rally coordination, the application process and deadlines. We can't wait to see you!

The University of Texas at Austin, Addiction Research Institute is handling the coordination of events and distribution of HHS funds to support local rallies. Join the [mailing list](#) to get updates about BTRR this year!

Holding a Big Texas Recovery Rally in your community creates a celebratory atmosphere with music, food, family activities, motivational speakers and more. September is National Recovery Month and the BTRR is a great way to honor those in recovery and their supporters!
